Re: Notice of File Closure, Pretty in Pink, S/027/073, Millard County, Utah

Dear Mr. Penney:

This letter is to notify you that **we are closing your permit notice and retiring the file** for your Pretty in Pink small mining project located in Section 24, T25S, R19W, Millard County, Utah. The 1998 permit fees have not been received for this small mining project, of which you were last notified in December 1998. On June 4, 1999, we were informed by the Bureau of Land Management, that no disturbance has been created at this site.

If you wish to commence any mining related activity in this area, **you will have to submit a new notice** to the appropriate agency(s), pay the Division permit fees, and receive written approval(s) prior to creating any disturbance.

If you have any questions concerning this letter, please contact me at (801) 538-5321.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Munson'.
